## ISSUE

The district level ICPS stake holders were unable to submit the monthly reports on timely manner since making the reports manually was time consuming.

## INTERVENTION

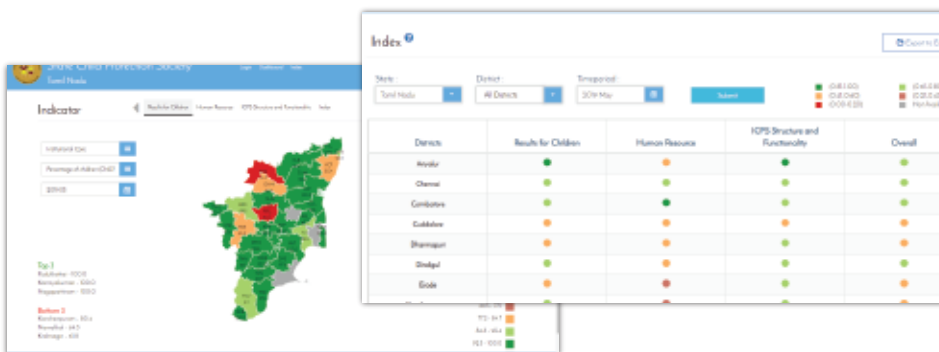

SDRC developed web based monthly data collection application for all the stake holders (both online & offline) under ICPS.

S. No.	Area Name	IC	CF	CMC	CMC	Others	Not known	Minority
1	Etawah	00	00	00	00	00	00	00
2	Haridwar	00	00	00	00	00	00	00
3	Patna	00	00	00	00	00	00	00

Generated reports for specified indicators in an excel format.

A Dashboard and Index page was developed to capture performance of all the districts across the following three sectors:

- 1) Results for Children
- 2) Human Resource
- 3) ICPS structure and functionality

## OUTCOME
