

# Routine Immunization and Pentavalent Vaccine Preparedness Assessment

Contributes to SDG(s)

Client:

Location: Assam, West Bengal, Chhattisgarh, Jharkhand, Bihar, Madhya Pradesh  
NCT of Delhi, Punjab, Rajasthan, Uttarakhand, Andhra Pradesh, Telengana

## ISSUE

Paper based data entry will lead to a huge pile of hand filled and scanned sheets.

Digitizing and analysing the paper forms will be time taking, complicated, and error prone.

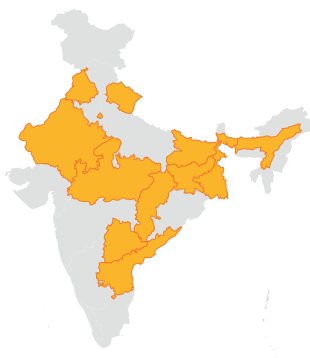

## INTERVENTION

Enable online data entry as per the district and state checklists developed by WHO to enable Pentavalent preparedness assessment at the state and district level

## OUTREACH

12

States

274

Districts

169

Blocks (Assam)

Web Based dashboard for assessing the preparedness based on scoring of key indicators.
