KEY TAKE AWAYS:

- Odisha's status had risen from being in the bottom five states to the second highest gainer state.
- Performance in Goal 9: Industry, Innovation and Infrastructure has contributed mostly to the rise of Odisha with a jump of 40 points which is higher than India's incremental change.
- Despite the overall better performance, Odisha's status continues to be "Performer" due to the staggering decline in values of Goals 1,2,4 and 5.
