### KEY CONCERNS

#### Key Policy Concerns:

- Preparation of Outcome Budget: The state should strengthen its process relating to outcome budget for all the departments implementing development programmes and schemes. Practices pertaining to outcome budgeting of Delhi Government can be referred to.
- Preparation of Gender Budget Statement: There are nine states who are preparing and producing Gender Budget Statement. The State Government started preparing Gender Budget Statement in 2012-13. However, the Gender Budget Statement prepared by Kerala Government can be referred to in order to improve the practices of reporting public expenditure addressing gender based challenges faced by women.
- Preparation of Child Budget Statement: The Child Budget Statement of the government of Assam and Bihar can be referred by the State government.
